Don't Forget to Plan Ahead

It pays to plan ahead, doesn't it? If you've ever had to buy an airline ticket with less than seven days notice, you know that planning ahead saves money. It also saves time. Planning the sequence of the errands you run on Saturday morning will save you the time of retracing your steps. Carefully planning the items you need for a family camping trip will save you the frustration of trying to pound in tent stakes with a hiking boot.

The fact is, even if planning ahead requires a little extra effort, still it is time well spent. Or, as the saying goes, "People who fail to plan, plan to fail." If such an axiom is true in matters of family trips and summer vacations, isn't it also true regarding the plans we make for our spiritual lives?

The summer months often mark a time of increased activity, but less structure in our weekly routine. Such a combination can hinder our regular participation in worship and spiritual growth. Yet, the inherent challenges of the summer months can be overcome by means of some careful planning.

For example, if you are planning to travel this summer, why not plan to worship at a WELS congregation along the way? Call or stop by the church office for a list of sister congregations across the United States. Or, go to wels.net and click on "Find a Church." This site will give you a map to the WELS churches nearest to where you will be.

From the Pastor's Pen

If you're gone on the weekend, but home during the week, plan ahead to join your fellow members for Monday evening worship. If God gives us the freedom to relax on Sunday, he also gives us the freedom to worship on Monday.

Planning ahead also applies to the thank-offerings we bring to the Lord. God's care for us doesn't lapse when we go on vacation. Shouldn't the same be true of our support of the Lord's ministry? St. Paul encourages us to "set aside a sum of money in keeping with (our) income, saving it up" (1 Corinthians 16:2). Signing up for electronic giving through the Mount Olive website or church office allows our gifts to be regular and proportionate—even when we are away from Mount Olive.

Making plans for the future is not always easy. But we have a perfect role model in our Heavenly Father. He planned our salvation from eternity and he has a place prepared for us in heaven. He says to us as he said to the Children of Israel, "I know the plans I have for you, plans to prosper you and not to harm you, plans to give you hope and a future" (Jeremiah 29:11).

God has included us in his plans. What better reason could we have to include Him in ours?

Planning for a spiritually rewarding summer with you,

Pastor Robert Raasch

A Closer Look

This summer, the Sunday morning Bible class is called "A Closer Look." Each Sunday from 9:15-9:45 a.m., the day's preacher will lead a discussion on one of the three Scripture lessons for that Sunday.

If you attend the discussion before you worship, you will get more out of the sermon. If you attend after you worship, you will get more out of the discussion. Take your pick! In either case, you will benefit from a closer look at God's Word.

The discussion will take place in the air-conditioned comfort of the Church Sanctuary and is open to all ages. "A Closer Look" begins Sunday, June 4.

Handbell Refurbishment Needed

Mount Olive's handbells were generously donated in 2000 by Mr. William Selle, in honor of his wife, Ruth A. Selle. They have been used regularly since then to glorify God and enhance worship services.

After so many years of faithful service, they are in serious need of professional refurbishment. During refurbishing each bell will be disassembled, inspected, polished, and parts repaired or replaced as needed. They will also be individually re-tuned to make sure each bell's sound is of the highest quality, and that all the bells in our set ring together in perfect harmony. In addition, the storage cases will also be inspected, cleaned and repairs suggested.

The cost of refurbishment for our 3-octave set of handbells is \$1,930 including shipping to and from Malmark. Any repairs needed to the cases will be an additional expense.

We'd like to have the handbells refurbished over the summer when our choir takes a break. You can help contribute to their refurbishment by donating to the Handbell Choir Fund.

Building Update

- The total cost of construction came in a bit lower than expected. As of May 21st, the construction project calendar is still on schedule.
- Through the use of tax-exempt bonds, we have secured interest rates lower than traditional financing methods.
- The Church Council has approved adding the locker room remodel and commons air conditioning to the first phase of the expansion. Even with these improvements, the expected cost of the project will still be approximately \$300,000 less than the amount originally approved by the voters in November 2017.
- All gym equipment which is not transferable to our new gym has been put up for sale. To date, the bleachers and scoreboard have been sold. Go to craigslist to bid on lockers, backboards, stage lights, etc.
- Volunteer work days have been held to gut classrooms and locker rooms. Thanks to all who donated their time and talents!
- The next major work day will be Saturday, June 23rd at 8 a.m. to remove all the playground equipment.
- Mount Olive has received a tremendous outpouring of gifts for Forward in Faith. (\$1,499,623 as of May 14, 2018). Please continue to offer your regular and sacrificial gifts of love. Your dollars are making a difference!

Bargain Garden's 26th Anniversary

April, 1, 2018, marked the 26th anniversary of The Bargain Garden Thrift Shop (BG). A gift of \$26,000 was given to the FVL designated for *Let the Children Come* as well as an additional one year commitment of \$1,000 monthly for the building fund.

Since its beginning, the BG has donated over \$937,000 to FVL and \$94,000 to other WELS charities. (In 2017 alone, FVL received more than \$80,000.)

More volunteers from our Federation churches are needed. In order for the store to continue its support of FVL's teen ministry into the future, it is vital that our volunteer numbers increase. If you are able and willing, it would be greatly appreciated. There are a variety of "jobs" to do—all of which require very little training. Either stop in (2725 N. Meade St.) or call the store (920-832-8822).

Since the store is not equipped to wash or make repairs, please donate only clean and gently used items. Drop donations off at the side door during store hours—9 a.m. to 4 p.m. daily (Thursdays until 8 p.m.) and Saturdays from 9 a.m. until noon.

Without shoppers, there would be no funds for FVL. Please stop in often, and also check out our eBay store at fvlbargaingarden.com. To God be the Glory!

Apple Valley Food Pantry's May Pantry Sunday will be on Sunday, June 17th.

This is our annual Food Drive. Prayerfully consider donating this month and next month to help us through the lean summer months. The items used most are cereal, canned pasta, canned and boxed potatoes, cookies, canned meats, canned fruits, crackers, jam, shampoo, and conditioner.

Monetary donations are also accepted. Checks should be made payable to **Apple Valley Food Pantry** and mailed to 129 S. Mason Street, Appleton, WI 54914. Thank you for your help!

A Time for Everything

by Bonnie L. Wasser.

The author is a Wisconsin housewife who assists her husband in operating the family business, a shoe store. She and her husband are parents to sixteen children (by birth, adoption, or foster care). Bonnie wrote the book realizing that sometimes we get so caught up in the trivia of daily living we forget the Lord is always there – for the trivial as well as for the traumatic. The twenty-four chapters of the book deal with twenty-four situations that occurred in her household. Each chapter reminds us of a scriptural principle that can be a blessing for every Christian family. “The Joy of Being a Christian Mother,” the title of one of the chapters, indicates the theme of the book.

No Mission Partner Rummage Sale at Mount Olive

Pastor De Guzman with VBS Youth Helpers / Assistant Teachers

Pastor De Guzman shares the news in his own words: “Our Vacation Bible School 2018 was held from April 30th–May 5th. Our theme for this year was “Who is Jesus According to the Bible?” We had about 50 students (kids and youth combined) among whom were a number of first time attendees from our neighbors. This was our first VBS in this church facility! Our VBS 2018 Graduation Day had an attendance of about 75 people as some of the parents came.”

“One of the most encouraging things about our VBS this year was that five of our students in the youth catechism class were able to serve as helpers/assistant teachers. The plan is to have them continue serving as helpers/assistant teachers in our regular Sunday School classes. We’re also planning to set up training classes for these future church workers.” There are also nine prospects in Bible Information Class!

We are privileged to help the outreach of Law and Gospel Lutheran. In 2017, we received \$4,354.14 in gifts and sales. Thank you! This year, we will not have our “Mission Partner Rummage Sale” due to our new construction. Suggestions? Have your own rummage sale for Law and Gospel. Make a special contribution to Law and Gospel. And, please save your items for next year’s rummage sale!
